

Campus Chair Update January, 2011

Professional Services Membership:

The bargaining committee met with the employer over four days and exchanged offers. An agreement was not reached and we were unable to extend the mediation process. The bargaining committee believes the employers final offer was not acceptable so informational meetings are tentatively scheduled.

The tentative dates are set for 1 February in Prince Albert, 2 February in Saskatoon, 3 February in Moose Jaw and 8 February in Regina. These meetings will be joint with the Academic Bargaining Unit and locations will be confirmed. Both our and the employers offers will be posted at <http://www.acad.sgeu.org/> for your review.
