

## **Campus Chairs Update** **October 11 & 12, 2012**

### **Proposals**

Approximately 80 proposals were submitted by members for the next round of bargaining. The Negotiating Committee has attached recommendations to each and will be meeting with the Steering Group on October 30 to finalize the process before taking them to the proposals conference on November 16 & 17 in Saskatoon.

### **Proposals Conference Delegates**

Deadline for nominations is October 19. Please let your campus chairperson know if you are interested in attending. If there are more nominations than delegates allotted, an election will take place on October 24. Those nominees not elected will be placed on the alternate list.

Proposal conference delegates are the ones who will be providing the Negotiating Committee with the direction for the next round of bargaining. If you are unable to attend as a delegate please let your local delegate know what direction you feel bargaining should go this next round.
